

*Sierra Nevada Brewing Co is proud to be a
National Partner of the Wild & Scenic Film Festival*

If you're planning to serve beer at your Wild and Scenic event, please consider Sierra Nevada as your first choice! Sierra Nevada was founded with the principles of environmental stewardship, zero waste and efficiency at heart. We've partnered with Wild and Scenic for more than 10 years to help ensure that environmental awareness and advocacy reaches as many communities across the nation as possible.

To submit a beer donation request, visit: www.SierraNevada.com/donations to complete the online form. Due to state and local alcohol laws, **we are only able to donate beer to registered non-profits with a temporary alcohol license. Your request will be forwarded to a local event team member who will determine whether they can donate beer and/or attend your event.**

If you have questions, email BrianKracht@sierranevada.com. Keep in mind that we need at least a month's notice to process the request and that our donations are limited each year.

Good luck planning your event and thank you for your work!

Cheers,

Sierra Nevada Brewing Co
