## The Condor and the Eagle - 2019 | 82 min. *Sophie and Clement Guerra*

*Four Indigenous environmental leaders embark on an extraordinary trans-continental adventure from the Canadian plains to deep into the heart of the Amazonian jungle to unite the peoples of North and South America and deepen the meaning of "Climate Justice". The Condor & The Eagle offers a glimpse into a developing spiritual renaissance as the film's four protagonists learn from each other's long legacies of resistance to colonialism and its extractive economy. Their path through the jungle takes them on an unexpectedly challenging and liberating journey, which will forever change their attachment to the Earth and one another.*
