## **Curated Short Form Programs and Feature Film Add Ons**

*Use these options to make your event even better. Adding a curated 50-minute program or feature film onto your full-length program can be a matinee for kids, a pre or post event perk, or a standalone event in the offseason. Choosing from our menu of five (5) pre-selected, pre-produced top options, this curated short program is the choice for existing hosts to put that extra touch on their event. Can also be seen as a cost-effective option for your first event to pay for an offseason addition to keep the buzz going in the within the same tour year as another community offering.*
